FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Revenue (DOR)** assume this proposal would not result in administrative costs to their department. The additional sale of liquor on Valentine's Day, when that day falls on a Sunday, could result in a very slight revenue increase. However, this amount is unknown. **Oversight** assumes the amount of revenue generated would be so slight that it would be negligible, and therefore is showing a zero fiscal impact.

In response to an identical proposal last session, officials from the **Office of Attorney General** and the **Department of Public Safety, Division of Liquor Control** assumed this proposal would not fiscally impact their agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2001 (10 Mo.)	FY 2002	FY 2003
	\$0	\$0	\$0

<u>FISCAL IMPACT - Local Government</u>	FY 2001 (10 Mo.)	FY 2002	FY 2003
	\$0	\$0	\$0

FISCAL IMPACT - Small Business

Small businesses that sell alcoholic beverage could experience a slight increase in revenue/sales on the days that this proposal would be in effect.

DESCRIPTION

This proposal allows sales of liquor by the drink without a special permit on February 14th when it falls on a Sunday.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
